| Name of the UCI Representative: | Mr. Roberto Rancilio<br>UCI Technical Delegate |

Date of homologation: 28.05.2026

On account of the verifications carried out and the details contained in the technical file, the CMFG Arena – Sigirino Velodrome is approved in the category B.

The homologation certificate remains valid until it is nullified. After the homologation, the certificate may be nullified if any modifications or renovations are carried out that invalidate the conditions of the homologation, in accordance with UCI regulations.

Aigle, 14.08.2026
